E. ADMINISTRATIVE REPORTS:

E-1: Monthly Housing Activity Report:

Executive Director Blanca Mendoza-Navarro presented the Monthly Housing Activity Report for the Agency's programs for the month of September. The Housing Voucher Services (HCV) department experienced a decline in assisted households by about 7%, although there was an increase in the program's subsidy. The HCV department is currently processing 216 applications and is continuing efforts to close the waitlist, though the busy season has made this challenging.

The Public Housing (PH) department saw an increase in vacancies, currently totaling 5, along with 3-unit turnovers. Staff is working diligently to fill these vacancies as soon as possible. Households have been pulled from the list, which remains open. Work orders are being addressed through NSPIRE inspections, resulting in an average turnover time of 12.5 days per work order.

The Farm Labor (FML) department has 4 vacancies and 2-unit turnovers. The department is facing a low number of applicants, and some families are moving out because they no longer qualify for assistance for the program. FML is currently managing 24 open work orders with an average completion time of 10 days.

F. EXECUTIVE DIRECTOR REPORT:

Executive Director Blanca Mendoza-Navarro presented the Executive Director Report for September 2024. The Housing Voucher Services (HCV) department continues to issue vouchers for year-end reporting. They are also preparing for the Section 8 Management Assessment Program (SEMAP) reporting period, which covers the fiscal year from October 1, 2023, to September 30, 2024. The team is ensuring compliance with all requirements, including rent increases, quality assurance inspections, and annual certifications, before submitting the report to the U.S. Department of Housing and Urban Development (HUD). Given last year's low scores, staff anticipates better results this year, which should improve the Agency's status.

The FSS/ROSS program is working on issuing escrow payments for a participant who recently graduated from the program. Staff plans to present this check during the next Board Meeting.

Public Housing (PH) staff is focused on leasing vacancies and completing annual certifications, maintaining 100% reporting each month, which helps keep the program on track. The Farm Labor (FML) department continues to lease vacancies and is actively participating in community events to market their units and attract applicants.

The Finance department is preparing the Fiscal Year 2024-2025 budget and working on the year-end process for Fiscal Year 2024, which spans from October 1, 2023, to September 30, 2024. They are also finalizing the classification and compensation salary study, which will be discussed in the upcoming closed session meeting. Additionally, the Finance team is collaborating with BDO (fee accountant) to submit the necessary documents for the recently approved operating subsidy.

The Maintenance department is diligently processing work orders and finalizing the window replacement project.

The Administration department is reviewing the classification compensation salary study. Submitted the 30-day update for the HUD PHARS review to ensure the Agency can exit the PHARS agreement. Continuous investment in staff training is a priority, with Ms. Mendoza-Navarro and Board Chair Elsa Mejia attending the 2024 National NAHRO Conference in Orlando, Florida. Ms. Mendoza-Navarro participated in sessions such as the Executive Director Boot Camp and sessions for small housing agencies, gaining valuable insights from other Executive Directors. Additionally, the Maintenance Management and Housing Program Manager are currently attending a maintenance management training through NAHRO for four hours per day this whole week. While much of the training covers basic topics, it also includes important reminders and updates essential for their roles.

Ms. Mendoza-Navarro provided some updates about the Executive Administrative Assistant and Housing Programs Compliance Manager positions. She mentioned that these roles are still under review in the classification and compensation studies. Once these studies are completed, the positions will be open to recruitment.

G. COMISSIONER REPORTS:

- 1. Commissioner S. Montes had nothing to report.
- 2. Commissioner J. Rodriguez had nothing to report.
- 3. Commissioner A. Villegas had nothing to report.
- 4. Commissioner C. Gallegos reported receiving positive feedback from two Housing Authority residents. They expressed their appreciation for the newly added green grass in their yards. Commissioner Gallegos thanked the Agency for promptly addressing her concern from the last meeting by ensuring the grass was added quickly. She also reminded everyone about Hurricane Milton, expected to hit at 9 p.m. that night, and encouraged prayers for those affected by the natural disaster.

H. <u>CLOSED SESSION</u>: Attorney Emilio J. Huerta

C-2 DIRECTION to Executive Director of proposed Holiday Office Closure, December 26, 2024.

Executive Director Blanca Mendoza-Navarro presented item C-2, proposing a holiday closure in December 2024. She explained that the Agency typically does not have a backout period during office shutdowns. This year, the observed holidays are Tuesday, December 24th, Wednesday, December 25th, and Friday, December 27th, which is specifically for office closure.

Staff is requesting to discuss the potential closure of Thursday, December 26th. However, employees would need to use vacation time to be compensated for that day. The purpose of this proposal is to streamline operations and avoid skeleton shifts that would require some staff to work. Additionally, several employees have already requested December 26th off. If approved, this day off would be unpaid unless vacation hours are used.

Commissioner C. Gallegos moved to approve Item C-2; Commissioner S. Montes seconded the motion. The motion passed unanimously.

BOARD MEMORANDUM

TO: Board of Commissioners

Housing Authority of the City of Madera

BOARD MEETING: November 7, 2024

AGENDA ITEM: C-1

AUTHOR: Blanca Mendoza-Navarro, Executive Director

DATE: November 13, 2024

FROM: Blanca Mendoza-Navarro, Executive

Director

SUBJECT: RESOLUTION #1308 of the Housing Authority of the City of Madera to Consider Authorizing the Executive Director to Submit the Section Eight Management Assessment Program (SEMAP) Certification to The U.S. Department of Housing and Urban Development.

EXECUTIVE SUMMARY:

The U.S. Department of Housing and Urban Development (HUD) under 24 CFR 985 established the Section Eight Management Assessment Program (SEMAP) to measure the performance of the public housing agencies (PHAs) that administer the Housing Choice Voucher program in fourteen (14) key areas. SEMAP helps target monitoring and assistance to the PHA programs that need the most improvement. The fourteen (14) key areas are assessed point values to each indicator and show whether PHAs help eligible families to afford decent rental units at a reasonable subsidy cost as intended by Federal housing legislation. The indicators measure the following:

- 1. Proper selection of applicants from the HCV waiting list,
- 2. Sound determination of reasonable rent for each unit lease.
- 3. Establishment of payment standards within the required range of HUD fair market rent,
- 4. Accurate verification of family income,
- 5. Timely annual reexaminations of family income,
- 6. Correct calculation of the tenant share of rent and the housing assistance payment,
- 7. Maintenance of current schedule of allowances for tenant utility cost,
- 8. Ensure units comply with the HQS inspection standards prior to lease up and PHAs enter into housing assistance contacts,
- 9. Timely HQS inspections,
- 10. Performing of quality control inspections to ensure housing quality,
- 11. Ensure that landlords and participants promptly correct HQS deficiencies,
- 12. Ensure that all available vouchers are used,
- 13. Expand housing choice outside areas of poverty or minority concentration, and
- 14. Enroll families in the family self-sufficiency (FSS) program as required and help FSS families achieve increased employment income.

Housing Authority of the City of Madera

PHAs are required to document compliance or noncompliance in these fourteen key areas and submit the information electronically to HUD. The total point value earned under SEMAP translates into the following rating:

- "High" performer (90% or above);
- "Standard" performer (60% to 89%); or
- "Troubled" performer (below 60%).

Staff has conducted the assessment and determined that based on a possible 135 points, HACM is currently at 110 points, or 81%, HACM received a rating of "Standard Performer" in 2024.

Staff have been working diligently to ensure the improvement to the SEMAP score, embracing the training that has been afforded and will continue as needed based on changes in regulations. HQS inspections and quality control HQS inspections were complete. Therefore, the 2024 HACM will certify 110 points which translates to 81% under these indicators and is considered "Standard Performer" for year end 09/30 SEMAP reporting. Once the 09/30/2024 SEMAP is submitted, HACM will no longer be considered "Troubled".

Details on indicators, points and HACM scoring for the 2024 SEMAP reports created are included with this Board Memorandum including the HUD-52648 form that requires Board approval.

RECOMMENDATION:

Staff recommends the Board of Commissioners approve and adopt the resolution authorizing the Executive Director and the Board Chair to sign and submit the SEMAP certification to HUD by the November 29, 2024, deadline.

FISCAL IMPACT:

There is no Fiscal Impact for this item.

Public reporting burden for this collection of information is estimated to average 12 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number.

This collection of information is required by 24 CFR sec 985.101 which requires a Public Housing Agency (PHA) administering a Section 8 tenant-based assistance program to submit an annual SEMAP Certification within 60 days after the end of its fiscal year. The information from the PHA concerns the performance of the PHA and provides assurance that there is no evidence of seriously deficient performance. HUD uses the information and other data to assess PHA management capabilities and deficiencies, and to assign an overall performance rating to the PHA. Responses are mandatory and the information collected does not lend itself to confidentiality.

- FYE 2022 Actuals FYE 2023 Actuals
- FYE 2024 Budget FYE 2025 Budget

The following table provides a brief description of each program:

Program	Units Available/ (Funding Source)	Description
Section 8 Housing Choice Voucher & Project Based Voucher	717 (HUD)	The Housing Authority of the City of Madera (HACM) receives housing assistance payments (HAP) from HUD. There are two (2) types of assistance, Housing Choice (Tenant Based) and Project Based (Project Based), both are HAP that is used to subsidize the difference between the participant's portion and the approved contract rent (Fair Market/Payment standards) to the private owner/apartment management company. HACM has the homeownership program which allows a portion of the mortgage to be paid to eligible participants in place of a rental subsidy. The HCV/PBV program expenses are paid by an administrative fee which is determined by HUD.
Housing Choice Voucher - VASH	54 (HUD)	In May 2010, HACM was awarded 50 Veterans Affairs Supportive Housing Vouchers (VASH) for eligible Veterans. In 2018 the agency received an additional four (4) VASH vouchers.
Emergency Housing Voucher (EHV)	33 (HUD)	The Emergency Housing Voucher (EHV) program is available through the American Rescue Plan Act (ARPA). Through EHV, HUD is providing 70,000 housing choice vouchers to local public housing authorities in order to assist individuals and families who are homeless, at risk of homelessness, fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing instability. These families are referred by partnering agencies such as Department of Social Services (DSS).
Public Housing	244 (HUD)	Units owned and managed by HACM. HACM receives tenant rents based on either the tenant's 30% of their adjusted monthly income or flat rents, based on bedroom size, which are set at no less than 80% of the HUD published Fair Market Rents minus utilities. HACM receives an operating subsidy based the Public Housing Operating Budget, which is certified and approved annually.
Farm labor	100 (USDA)	Units owned and managed by HACM. HACM receives rent from tenants based on 30% of their adjusted monthly income or "Basic" (contract) rent. The Basic rent is approved annually by USDA. When the tenant rent is less than the Basic rent the difference is subsidized by rental assistance (RA).
Pomona Ranch	50 (OMS)	Seasonal housing for migrant farm workers open from June to December. HACM receives a fixed budget for operating the center. Minimal rents determined by the Office of Migrant Services (OMS) are collected from tenants, but are all remitted back to OMS.
Capital Fund	(HUD)	Annual grant provided by HUD to maintain and modernize Conventional Public Housing units.
FSS	(HUD)	Family Self Sufficiency programs are designed to improve the lives of participants and enable them to become self-sufficient. Program activities include participant educational opportunities, homeownership counseling, job training, credit repair and education.
Revolving Fund		This program is the agency-wide business or general fund. It is funded through charges to other programs for office space and management fees.
ROSS	(HUD)	This program links those under the Public Housing program to public and private resources, supportive services and resident empowerment activities to reduce or eliminate the need for welfare assistance and work towards economic independence. It assits elderly or disabled residents improve living conditions and enables residents to age-in-place.

The following schedule shows a summary budget of the combined HACM's budget. Following this schedule are individual program budget sheets which shows how each program contributes to the combined HACM's budget.
